Requirement to Complete Payee Data Record					
	A completed Payee Data Record (in lieu of the IRS W-9) is required for payments and will be kept on file at the Judicial Council of California,				
	Iministrative Services Office. Since each state agency with which you do business must have a separate Payee Data Record on file, or a payee to receive a similar form from various state agencies.				
SECTIONS 2 THRU 5 – VENDOR COMPLETE					
	Enter the payee's legal name. Sole proprietorships must also include the owner's full name.				
	An individual must list his/her legal name as it appears on his/her Federal Income tax return. If a different name is				
2	used, that name should also be entered, beneath the legal name.				
	The mailing address should be the address at which the payee chooses to receive correspondence. The business address				
	is the physical location of business, if different than mailing address. The phone number, e-mail address, and facsimile				
	number should also be provided.				
	Check the box that corresponds to the payee business type. Check only one box. Corporations must check the box that				
	identifies the type of corporation.				
	The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State provide their Taxpayer Identification Number (TIN). The TIN is required by the California Revenue and				
3	Taxation Code Section 18646 to facilitate tax compliance enforcement activities and the preparation of Form 1099 and				
	other information returns as required by the Internal Revenue Code Section 6109(a).				
	The TIN for individuals is their Social Security Number (SSN). A sole proprietor may have both a Federal Employer				
	Identification Number (FEIN) and a SSN, the IRS prefers that sole proprietors user their SSN. Only partnerships,				
estates, trusts, and corporations will enter their FEIN.					
Are you a California resident or non-resident?					
	A corporation will be defined as a "resident" if it has a permanent place of business in California or is qualified				
	through the Secretary of State to do business in California.				
	A partnership is considered a resident partnership if it has a permanent place of business in California.				
	An estate is a resident if the decedent was a California resident at the time of death.				
	A trust is a resident if at least one trustee is a California resident.				
	For individuals and sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or				
4	transitory purpose. Generally, an individual who comes to California for a purpose that will extend over a long or				
	indefinite period will be considered a resident. However, an individual who comes to perform a particular contract				
	of short duration will be considered a non-resident.				
	Payments to all non-residents may be subject to withholding. Non-resident payees performing services in California or receiving rent, lease, or royalty payments from property (real or personal) located in California will have 7% of				
	their total payments withheld for State income taxes. However, no withholding is required if total payments to the				
	payee are \$1,500 or less for the calendar year.				
	For information on Non-resident Withholding, contact the Franchise Tax Board at the numbers listed below:				
	Withholding Services and Compliance Section: 1-888-792-4900 E-mail address: wscs.gen@ftb.ca.gov

	<u>This form must be signed</u> . Provide the name, title, e-mail, and telephone number of the individual completing this form. Also, provide the date the form was completed.				
	<u>Certification Instructions:</u> You must cross out item 2 if you have been notified by the IRS that you are currently				
5	subject to backup withholding because you have failed to report all interest and dividends on your tax return. If you are				
	not a U.S. Citizen or U.S. person, as defined by the Internal Revenue Service, a different form may be required and tax withholdings may apply. See IRS website http://www.irs.gov/businesses/international/index.html for additional				
	information.

Privacy Stat	ement: Section 7(b) of the Privacy Act of 1974 (Public Law 93-579) requires that any federal, State, or local governmental				
agency, which requests an individual to disclose their social security account number, shall inform that individual whether that disclosure is

It is mandatory to furnish the information requested. Federal law requires that payment for which the requested information is not provided is
