R2324-12 Restrooms Stall Doors & LL Men's Partitions RFP

Questions & Answers

issued 06/03/2024

1. Any holes from old hardware need to be filled in?

Preferably the new hardware matches the existing hardware holes. However, if not possible then, Yes, the holes need to be filled in with some kind of poxy resin (no wood filler, glue) and needs to match color scheme.

2. The basement men's partitions will be in same configuration?

Yes.

3. What type of hardware?

Durable like stainless steel. Antique look. Satin silver finish. Self-closing hinges. Thumb turn locks.

4. What type of door finish?

Solid, graffiti resistant.

5. Which way are stall doors to open?

Doors are to swing out of stall.
